AMMUNITION HOISTS DON'T WORK

After the Alerations Are Completed the Officers Hope to Be Ordered to China.

The cruiser New York, flying the flag of Acting Rear-Admiral Richard W. Meade, commanding the North Atlantic station, reached the Navy-Yard early yesterday morning and anchored in the stream off the Cob Dock. Lawyer Riley charges the board with falsifying its records in the matter of Horn's application. He says that the all-night licenses are not granted because Tammany fears to incur the enmity of the saloon-keepers who cannot obtain them.
